## Career and Technical Education Indicator Code Decision Charts

The PEIMS career and technical education indicator code decision charts are housed only in the PEIMS manuals. You have two options for finding the charts.

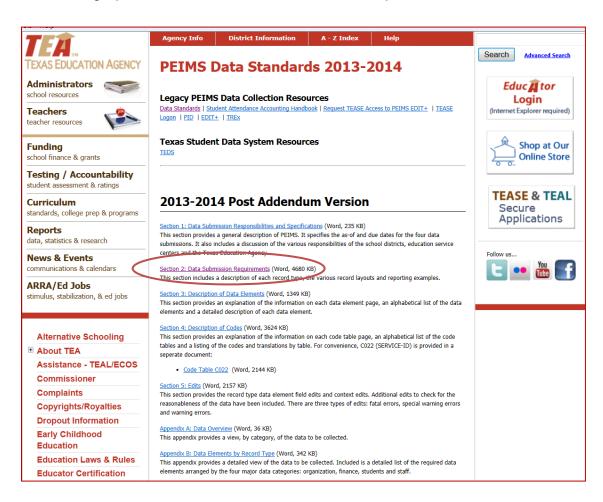

## **Option 1:**

- 1. Click on this link: <a href="http://www.tea.state.tx.us/peims">http://www.tea.state.tx.us/peims</a>
- When the PEIMS Data Standards page opens, look for the Legacy PEIMS Data Standards table and click on the PEIMS Data Standards – Post Addendum Version for the current year.

When the PEIMS Data Standards page for the current year opens, click on Section 2: Data Submission Requirements.

3. When the document opens, find the decision charts under the "101 student data – demographic" section above the links to "Example #1"....

## **Option 2**

- 1. Click on this link: http://ritter.tea.state.tx.us/peims/standards/wedspre/index.html
- 2. At the top of this page, you will see four menu boxes. The left hand side of the top menu box allows you to choose the record. Choose the 101 record from the drop-down list and click on "go".
- When the "101 student data demographic" page opens, scroll to the bottom.
  The decision charts are the last two graphics on this page, above the links to "Example #1"....
